FROM THE PRESIDENT

Welcome to the 2019 *Wo-He-Lo* yearbook. This yearbook is all about you—our students—and I hope you enjoy the memories contained on the pages that follow. I would like to commend each student who helped put this 78th edition of our yearbook together—whether by planning the design theme, taking photographs, tagging classmates, or writing content. Without you, East Central Community College would be unable to publish this student keepsake every spring semester.

The first school yearbook as we know them today was published in the 1840s as a way to keep memories through photographs about the most recent school year. This *Wo-He-Lo*, like all the others before it, is about memories.

I hope that as you continue your life journey, wherever that may take you, that you will always fondly remember this past year at ECCC as told on the pages of the 2019 *Wo-He-Lo*.

May God bless you today and always,

Billy W. Stewart

President Stewart Receives PTK's Gordon Award

East Central Community College President Dr. Billy Stewart received the Phi Theta Kappa Honor Society's Shirley B. Gordon Award of Distinction during the society's annual convention April 5, 2019 in Orlando, Fla.

PTK's Shirley B. Gordon Award is presented to college presidents who have shown strong support of student success on their campuses by recognizing academic achievement, leadership, and service among high-achieving students. Stewart was nominated for the award by student members of East Central's Theta Xi Chapter of PTK on the Decatur campus.

The Shirley B. Gordon Award is Phi Theta Kappa's most prestigious award for community college presidents.

Stewart was named the college's eighth president in July 2012. At East Central, he initiated a strategic planning process to shape and guide the future of the institution. As a result, **2020 Vision** was adopted in February 2013 and includes a long-term desire to be nationally recognized and locally preferred while meeting the educational and training needs of all residents of the college district.

East Central was a new experience for me. When I was just a freshman walking on this big campus, I wanted to get involved in everything I could, meet new people, and enjoy my first year.

It first started when I participated in Welcome Week where I signed up for numerous clubs at Clubs Unite, made tons of friends at the Foam Party, and attended the other college events such as College Worship that Wednesday night. It soon came to my realization that I just had a joy for meeting new people and wanted to share this with whole student body. I realized then that I wanted to be a part of planning these activities for students so they could connect with others on campus just like I did. This led me to run for Student Body Association President.

At the end of my freshman year, I achieved that goal when I was elected as Student Body Association President. My goal as Student Body Association President was to share the experience I had my freshman year and try to give that same experience to everyone. Keeping that in mind, I planned many social events on campus such as Movie Nights, an East Central Talent Show, and a Homecoming Tailgate.

My favorite activity that we planned on campus was when we had the Spring Formal at East Central. We added this new event this year where the whole student body could all get together, get dressed up, and dance the night away. I enjoyed seeing all the smiles and laughter at these events, for I felt as if I had accomplished my goal.

I am very proud to say I am a part of the East Central family, and I am honored to have served as Student Body President.

Pam Croswell

Sophomore Mayowa "Mario" Asagunla of Jackson and English instructor Pam Croswell of Union represented East Central Community College at the 2018-19 Higher Education Appreciation Day: Working for Academic Excellence (HEADWAE) program.

The annual HEADWAE observance was established by the Mississippi Legislature to honor academically talented students and faculty members from each of the 36 public and private member institutions of the Mississippi Association of Colleges.

Asagunla is a sophomore mechanical engineering major and a graduate of Hillcrest Christian School in Jackson.

A Dean's List Scholar, he was named a National Junior College Athletic Association (NJCAA) Academic All-American and received the Luke 2:52 Award as a member of the ECCC Warrior football team. He is a member of Phi Theta Kappa, the international honor society of two-year colleges, and participates in Baptist Student Union, Clarke-Venable Baptist Church College Worship, and the Fellowship of Christian Athletes.

He is the son of Adekumbi (Mary) Asagunla of Jackson and his guardians are Luke and April Epperson of Jackson.

Croswell has 25 years in the field of education and has been employed at East Central since 2006.

She was selected ECCC Academic Instructor of the Year in 2015, was a Lamplighter Award recipient in 2013 and was a William Winter Scholar Award recipient at the 2012 Natchez Literary Festival. In addition, she is a Mississippi Virtual Community College Certified Online Instructor.

She received her master's degree at Mississippi State University, her bachelor's degree in English from Millsaps College, an associate's degree from Meridian Community College, and is a graduate of Union High School.

She is married to Patrick Croswell and has one step daughter, Tessa Kate Croswell. She is the daughter of Delois Burnett and the late Wavell Burnett. She attends Pine Grove Baptist Church.

The program began at the State Capitol and was followed by a luncheon at the Jackson Marriott Hotel in downtown Jackson, during which each student and faculty honoree was recognized in front of their guests, institution leaders, corporate sponsors and legislators.

HUMANITIES INSTRUCTOR OF THE YEAR

Guitar instructor Chas Evans, who also serves as chair of the Division of Fine Arts, was selected East Central Community College's "Humanities Instructor of the Year" and was recognized Tuesday, March 12, 2019.

Evans presented a special program in the Vickers Fine Arts Center auditorium. During his presentation titled "Song Anatomy," Evans discussed the art of songwriting and popular music in general. He presented the formulas, tropes, and methods in songwriting, from the lyrics and music through production and mastering, which he said would hopefully unlock the secrets to writing a hit song.

Evans is a native of Chunky and a graduate of Newton County High School. He studied guitar under the late Tom Carson of Decatur. He received his Associate of Arts in music from East Central Community College and completed his Bachelor's and Master's degrees in music from the University of Southern Mississippi, where he was instructed by Professor Giovanni De Chiaro.

He has been the recipient of various awards, including first place at the 1999 Mississippi Music Teacher Association guitar competition and runner up in the 2000 Pine Belt Guitar Symposium.

He has participated as a guest judge in the Mississippi Music Teacher Association Guitar Competition and at the Pinebelt Guitar Symposium where he has given master classes for the competitors.

He has performed as a member of the Mississippi Guitar Quartet, and was recorded on the group's album "Soundscapes," which was published through Centaur Records. In 2006, he and the Mississippi Guitar Quartet were honored to perform selected works from their "Soundscapes" album at Carnegie Hall in New York City.

In 2012, Evans released his debut solo album "Mississippi Sounds," featuring pieces inspired by the state's heritage and scenery. "Mississippi Sounds" is available now for purchase on iTunes and on his website www.chasevansguitarist.com.

Evans has served as a member of the Mississippi Army National Guard and was deployed in Operation Noble Eagle in Washington, D.C., and Operation New Dawn in Baghdad, Iraq.

He and his wife, Laura, reside in Decatur and have two children, Katie and Chas Michael.

WARRIOR POST

Dr. Teresa Mackey, Justin Wilcher, Christy Ferguson, Caleb McGrew, and Dr. Billy Stewart

A new campus food pantry opened on Feb. 12, 2019. Warrior POST (Providing Others Support Together), sponsored by the college's Theta Chi Chapter of Phi Beta Lambda, provides free non-perishable food items and other life necessities to currently enrolled students with demonstrated need. It is located in Room 211 of the Tucker Applied Technology Center.

The idea originated from ECCC academic counselors Lanette Hanna and Jennifer Savell, who recognized the need during conversations with students on campus. They then suggested the idea to Christy Ferguson, PBL Sponsor, to use as a PBL service project.

To apply for assistance, students must complete and submit an online application form, and attend two workshops within two months to continue to receive donations.

Any person or organization can make donations of non-perishable food items and other necessities to the Warrior POST food pantry. Canned food drives by ECCC student organizations and local organizations to support Warrior POST are encouraged.

The 2018 edition of the East Central Community College Lady Warrior softball team entered the season with a wealth of experience and a preseason No. 10 ranking in the National Junior College Athletic Association Top 20 poll.

Head Coach Kristin Chaney, in her sixth and final season, relied heavily on 16 returning players, many of whom saw significant playing time last season.

Megan Hill, a teammate of Chaney's when they played at the University of Southern Mississippi, joined the staff as Chaney's new assistant coach.

The No. 10 ranked East Central Community College Lady Warriors ended the regular season with a 32-10 record and earned the right to host a first-round playoff series. The Lady Warrior softball team finished up the 2018 Mississippi Association of Community and Junior Colleges State Tournament with a 1-2 record, good enough to advance to the upcoming Region 23 Tournament.

In the National Junior College Athletic Association Region 23 Tournament played May 10-12 on the campus of Itawamba Community College in Fulton, the Lady Warriors survived its first elimination game but could not survive the second as the 2018 season came to an end. The tournament featured four of the top 10 ranked teams in the nation.

The Lady Warriors ended the season with a 36-14 record.

Sophomore catcher Cassie Obman was named the Mississippi Association of Community and Junior Colleges Softball Player of the Week for April 9-15.

Sophomore pitcher Anna Norris of Grove Oak, Ala., and Geraldine High School received the Scholar-Athlete Award for Softball.

Nine East Central Community College Lady Warrior sophomore softball players earned either National Junior College Athletic Association All-Region 23 or Mississippi Association for Community and Junior Colleges All-State for their play on the field in spring 2018. Shortstop Kayla Beckham, third baseman Madalyn McMahon, and pitcher Kaitlyn Oswalt were all named NJCAA All-Region 23.

Earning MACJC First Team All-State honors were right fielder Mackenzie Johnson, pitcher Mackenzie Rousseau, and second baseman Eva Scott. Catcher Cassie Obman, catcher Tagen Remmel, and left fielder Shelby Walters were all named MACJC Second Team All-State.

At the end of the 2018 season, after six seasons as head coach, 233 wins, and six trips to the postseason, Chaney resigned her coaching position. "It was an honor and privilege to be the head softball coach at East Central. I was able to come back and give back to my alma mater that gave me so much. I took great pride every day knowing I was able to lead a program with such high standards that we have set here at East Central. I will forever bleed black and gold."

The East Central Community College men's tennis teams opened its 2018 spring season in February, hoping that team depth and a desire to improve would carry them against a formidable schedule. Head Coach Jay Pacelli began his third season leading the ECCC tennis teams.

Key returners for spring 2018 were Tom Langelaar and Joseph Jabour, who both played singles and doubles in 2017. Sophomores Willie Wooten and Emontie Lewis also returned.

Pacelli also had five first-year players to contribute to the team, including Landon Gibson, Isaac Keen, Wilton Ladner, Alex Sumerall, and Jake Wofford.

The East Central Community College men's tennis team along with four players were recognized for academic success by the Intercollegiate Tennis Association.

The ITA All-Academic Team award is open to any ITA program that has a cumulative team grade-point average of 3.20 or above.

In order to earn ITA Scholar-Athlete status a player must be a varsity letter winner, have a grade-point average of at least 3.50 for the most recent academic year, and have been enrolled at their present school for at least two semesters.

ECCC men's tennis players named ITA Scholar-Athletes were freshman Landon Gibson, freshman Wilton Ladner, sophomore Tom Langelaar, and sophomore Emontie Lewis.

"The excellence these players show in the classroom on a consistent basis means as much if not more than any tennis victory," said Pacelli.

After a tough 2017 season, the Warriors looked to bounce back in 2018. If the East Central Community College Warriors were to improve on their 2017 record, they were going to have to do so against the toughest football schedule in the Mississippi Association of Community and Junior Colleges.

Ken Karcher, in his sixth year as head coach, welcomed a couple of familiar faces to the East Central coaching staff for 2018. Former NFL player and NFL Europe head coach Mike Jones coached running backs and tight ends for the Warriors. Karcher and Jones have a relationship that spans three decades and have worked together twice before. Jones was a sixth round draft choice of the Minnesota Vikings as a wide receiver out of Tennessee State in 1983 and played six seasons in the NFL.

Also joining Karcher's staff was former Warrior standout and University of West Georgia running back Lamarcus Franks, who helped with the linebackers and defensive line.

The Warriors got off to good start, going 3-1 when the No. 1 football team in the nation, the East Mississippi Lions came to Decatur. After a hard-fought game, it took a last-second field goal for the Lions to escape Decatur with a win.

After the tough loss to EMCC, the Warriors never did regain their early season steam, and finished the season with a 4-5 record.

For the second straight season, East Central Community College defensive back Keonte' Daniels was named to both the Mississippi Association of Community and Junior Colleges First Team All-State Defense and the National Junior College Athletic Association Region 23 Defense for his play.

Also earning postseason honors were freshman wide receiver Jaylen Zachery, MACJC First Team All-State Offense; sophomore offensive lineman Ethan McMullan, MACJC First Team All-State Offense; and freshman defensive lineman Alvin Dempsey III, MACJC First Team All-State Defense.

Named to the MACJC Second Team All-State Defense were sophomore linebacker V.J. Swanier and sophomore defensive back Kendrick Abney. Sophomore wide receiver Kevontaye Caston was named the MACJC Second Team All-State Returner.

Lady Warriors

There were a lot of new faces on the soccer pitch for the East Central Community College women's soccer team in 2018.

Among those new faces was first-year head coach Ryan Joiner, who officially took over the team in June.

There were only five returners from last year's squad who all saw time as starters in some capacity. The veterans were counted on to provide leadership for the freshman class in training and games.

After a hard fought 2018 season, the Lady Warriors finished with a 5-11 overall record.

Macey Spencer was named to the National Junior College Athletic Association All-Region 23 Team. She led the Lady Warriors with eight goals and five assists, including three-game winning scores, while starting all 16 matches.

Hayden Sullivan was named to the Mississippi Association of Community and Junior Colleges All-State Team. She had two assists on the season while anchoring the Lady Warriors' defensive efforts.

Several EC women's soccer players were honored at the 2018 Fall Sports Awards Banquet. They were defender Hayden Sullivan, Defensive Most Valuable Player and MACJC All-State; freshman forward Macey Spencer, Golden Boot Award and NJCAA All-Region 23; freshman midfielder Lia Richardson, Warrior Award; sophomore midfielder Carrington Payne, MACJC North Division All-Star Team; sophomore defender Georgie Wilson, Scholar-Athlete Award and MACJC North Division All-Star Team; sophomore goalkeeper Jordan Havens, Team Most Valuable Player; and sophomore midfielder Noel Ross, MACJC North Division All–Star Team.

With only one starter returning, Coach Robert Thompson was hopeful the team's competitive spirit would help them make it back to the MACJC state playoffs after a year's absence.

Thompson, who was entering his sixth year at East Central, was right. The Warriors started the season at 6-0 and ended with five wins in a row to finish the regular season 13-10 overall and 6-8 in the South Division, which earned them a berth in both the Mississippi Association of Community and Junior Colleges State Basketball Tournament and the National Junior College Athletic Association Region 23 Basketball Tournament.

The Warriors entered the state tournament as the No. 4 Seed in the South Division, but fell in the first round 70-53 to the North Division No. 1 Seeded East Mississippi Lions at A.B. Howard Gymnasium on the Jones College campus in Ellisville. The Warriors season came to an end after falling 74-54 to the top-seeded Jones College Bobcats in a first-round game in the NJCAA Region 23 tournament at A.E. Wood Coliseum on the Mississippi College campus in Clinton.

The Warriors finished the season with a 13-12 record.

Joining Coach Thompson this season to assist with coaching was Abdul Olusesi, who most recently was director of basketball operations for two seasons at Sam Houston State University.

EC sophomore guard Roti Ware was voted the MACJC Men's Basketball Player of the Week three times during the season. Ware averaged 19.7 points and six rebounds a game, while shooting 92 percent from the free throw line for the 2018-19 season.

Freshman guard Nick Preyer was named to the 2019 NJCAA Region 23 Men's Basketball All-Tournament Team. For his inaugural season at ECCC, Preyer started 23 games and averaged 13.7 points and a team-high 4.6 assists and 1.7 steals per game.

With two new coaches, four returning players who combined for 30 points and nearly 20 rebounds a game a year ago, and a talented freshman class the Lady Warriors had high hopes for the 2018-19 season.

First-year head coach LaTaryl Williams, was a former standout player at both Northwest Mississippi Community College and Ole Miss, and an assistant women's coach at Holmes Community College in Goodman.

Joining Coach Williams for his first season in Decatur was Kristen Sampson, a former MACJC All-Star at Meridian Community College who also played at Mississippi College.

After starting the season 6-0, the Lady Warriors ended the regular season with an 18-5 overall record which put the women in a four-way tie for second place in the South Division.

After the first tie breaker was applied, the Lady Warriors were determined to be the No. 5 seed and did not qualify for the state tournament. ECCC appealed the decision, but the appeal was denied by the MACJC Athletic Council.

The Lady Warriors did earn a spot in the 2019 National Junior College Athletic Association Region 23 Basketball Tournament as the No. 6 Seed where they played the No. 3 seeded Itawamba Community College.

The Itawamba Lady Indians used a dominant fourth period to pull away from EC and end the Lady Warriors season with a 78-68 win. The Lady Warriors ended their season with an 18-6 overall record.

Sophomore forward Diamond Wraggs was named to the 2019 NJCAA Region 23 Basketball All-Tournament Team. For the season, Wraggs averaged eight points and five rebounds per game.
